30 Day Post-General Report (10/19/00-11/27/00)

Dear Mr. Kern:

Concerning Amended 12 Day Pre-General Report (10/01/00-10/18/00):

I am filing this amendment in response to your letter dated March 27, 2001 concerning a contribution made by our committee that appeared to exceed the limit allowed to a national party committee.

This contribution was reported incorrectly as "Organization Dues," and should have been reported as "Excess Campaign Funds."

I am attaching a replacement Schedule B for this report that corrects this error.

Concerning 30 Day Post-General Report (10/19/00-11/27/00):

In your letter dated March 27, 2001 you cited an error in Column B for the Summary and Detailed Summary Pages -- the sum for Line 17 did not add up with the previous report. I am taking the time to correct this problem for this report as well as all subsequent reports and will submit amendments for these reports by April 30, 2001.

Also per your March 27th letter, regarding missing employer and occupation information for those individuals in excess of \$200, I will update this information with the April 30th amendment or provide details of our "best efforts" to collect this information.

Please feel free to call me with any questions regarding this discrepancy, (303) 832-1925.

Sincerely,

A handwritten signature in dark ink, appearing to read "Edgar Neel".

Contributions are not deductible on Federal tax returns. Federal law requires political committees to report the name, mailing address, occupation and name of employer for each individual whose contributions aggregate in excess of \$200 in a calendar year.
